Product Benefits & Features

The hands-free hood

This cooker hood has Hob2Hood, a useful feature that automatically controls your cooker hood and lights. Leave Hob2Hood to regulate the fan while you concentrate on the key moments involved in getting your dish just right. But if you'd rather adjust the fan speed yourself, there are manual controls

Clean air with less energy

A strong motor with low-energy consumption means this hood is reliable and efficiently clears away kitchen odours.

Natural air, effortlessly and silently.

The sleekly designed AEG hood removes lingering odours quietly thanks to a super quiet breeze technology. So you can have a better environment in your kitchen effortlessly and silently.

Benefit from long-lasting lighting

Gain the benefits of LED lighting. Clear and bright, it makes ideal task lighting over a hob and, additionally, it's long-lasting and energy-efficient too.

Stylish glass touch-control panel for complete control

For complete control over the cooking process, this sophisticated glass panel provides precise one-touch control over vapour extraction.
