## More than Retro

For those who value both aesthetics and functionality, and who enjoy playing with different styles, we have redefined **the modern fridge-freezer**.

**NO Frost**  
MULTI

*NoFrost Multi*

Cooling technology that allows even and simultaneous chilling and freezing of food; the air does not penetrate between the chambers, thus preventing smells from the fridge and freezer from mixing. **No drying** of air inside the fridge / **No mixing** of smells / **Energy savings**

**maxi-fresh**

*Maxi Fresh Filter*

Through eliminating ethylene released by fruit and vegetables during the ripening process, it extends their shelf life.

NATURAL  
**ion**  
tech

*Ion Tech*

Built-in ionizer neutralizes unpleasant smells and dust particles in the air.
